

Lawrence Berkeley Laboratory Archives and Records Office Records Transmittal

TO TRANSFER RECORDS, TYPE THIS FORM. Use one transmittal for each records series. A records series consists of records having the same disposal authority and disposition date. See transfer and packing instructions for details or call the Archives and Records Office at 486-5525.

ARCHIVES AND RECORDS OFFICE USE ONLY

Division and Department Accelerator & Fusion Research Division		LBL Accession Number 19-18-10
Section, Group or Project		LBL Accession Date 4/13/95 ARO-933
Building and Room Number 51-108	Extension 4645	File Code
Person Transferring the Records Trina Baker, Archives and Records		NARA Accession Number
Department Head Catherine Westfall/ Rick Gough		Archives Receipt (Signature and Date)

Records Title
 Bevalac Heavy Ion High Energy Physics Oral History Records of Catherine Westfall

Inclusive Dates of the Records 1993-1994	Number of Records Boxes 1 FRC box
----------------------------------------------------	---------------------------------------------

Brief Description of the Records

This series documents the collection of materials for the purpose of writing a history of heavy ion physics research at the Bevalac. It includes cassette tapes, diskettes (both hard and floppy), and paper transcriptions. Catherine Westfall is a historian contracted by LBL to complete a history of this program at the laboratory. The oral histories were one portion of the collection of materials for that work.

Records Retention and Disposition: *(Call the Archivist if you need this information.)*

☒ Historically Valuable Records. Do not destroy. A detailed folder list is included with the Records Transmittal.

☐ Destroy/Review on a scheduled basis with a minimum retention of _____ years. Disposal/Review date: PERM

This is in accordance with:

☐ The National Archives General Retention Schedule. Citation: _____

☒ The Department of Energy Retention Schedule. Citation: _____

Sched. 19, Item 18.a

Disposal Authorization: *(To be signed at the expiration of retention.)*

The legal retention of the records listed on this Records Transmittal has elapsed. Since I foresee no use of these records that would justify further retention, I authorize their disposal.
